April 25th Stated Meeting

April 27th LaGrange Lodge Annual Inspection Master Mason Degree, Dinner 6:00 PM

Greetings Brethren,

Once again I would like for the lodge for supporting Well-Help with donations of food and even some cash. Times are still tough for many and a lot are laid off; the lines are long in the food lines My Brethren, people are in need of our help! Let's continue our charitable giving as we dedicate this year to this our local charity.

Our previous lease has expired and we have received notice from our current landlord in forming us of his proposed three year lease with monthly rental payments peaking at \$400. I have assigned a committee to looking to establishing a counter offer to his lease and will convey that proposal to you as it unfolds. What ever the lease arrangement that we decide upon it is evident that our payments will go up. And with that increase it will become necessary to look hard at worthwhile fund raises or most likely a sharp dues increase. When called upon I ask that you offer good council, wise comments and your full support. Who knows we may be forced to leave our present location. Where would you think we should go if that happens?

We have gotten off to a good start with representation at the first inspection in the 22nd District. The next inspection and the first in Lorain County will be on the 3rd and we will again be well represented there. Want to join us in our travels, please give me a call.

From the Secretary's Desk: I need your help in keeping our member database current. Please remember to tell us when you move. My contact number and "E" mail address is as above. Thank you, Gary Walker

From the Webmaster: Website updates and Email communications are a great inexpensive way to keep in touch and to stay informed. Brethren as we continue to use these tools for communication it is impossible for us to contact you if we do not have your email address. If privacy issues are a concern; consider creating a free email account just for lodge and Masonic related business. This is very easy to do just contact me and I would be glad to walk you through the process.

From the LEO: Each year the Grand Master asks that certain programs be presented in open Lodge, these programs are very short and are intended to be interactive meaning that they encourage some audience participation to be successful. Schedule a family night out and attend lodge with your many brothers.

As always, if you have any suggestions, I urge you to contact me, our secretary, or any of our Lodge officers listed in the installation program. See you in Lodge!!

Fraternally,

A handwritten signature in cursive script that reads "Scott A. Markel".

Scott Markel
