

From the Senior Warden: I want to thank you for giving me your vote of confidence so I could make plans for my year as Master. I am very much honored. With that being said I am really excited and looking forward to a great year for Wellington Lodge, starting with installation of officers, November 26th with dinner at 6:00pm. Then on December 10th our awards night we will be honored by having the Grand Master, Most Worshipful Brother James F. Easterling, Jr in attendance; we expect a very festive evening. I am looking forward to a very enjoyable year for Wellington Lodge. Please join me in making it a very successful year.

Respectfully

Bro. Jim Young

From the Webmaster: Website updates and Email communications are a great inexpensive way to keep in touch and for you to stay informed. Brethren as we continue to use these tools for communication I encourage you to provide me with your email information. If you receive this bulletin by US Postal Service and have an e-mail address it has cost the Lodge \$.45 but if we had your email it would cost nothing and you would receive it hot off the press. You can send your email by dropping a quick memo to rlrunion@gmail.com to begin receiving online communications. You can also use that address to alert us of changes to your email. If privacy issues are a concern; consider creating a free email account just for lodge and Masonic related business. This is very easy to do just contact me and I would be glad to walk you through the process.

From the LEO: We continue to have several candidates that are in various stages of their Masonic journey. If you were a signer on their petition how about contacting them to see how you can encourage them to renew their studies. Perhaps that call from you will be the spark that they need.

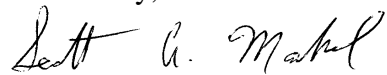

Also we have good programs that are very short and are intended to be interactive where they encourage audience participation and I believe that you will enjoy them. I am happy to report that we have completed the Grand Lodge Education requirements for the 2011-2012 Masonic year. Come out, attend lodge with your many brothers. Fraternally Ron Runion

I am truly appreciative of all the efforts from our Brethren - both local and distant - who continue to provide support in a number of ways. The generosity of our members is overwhelming; two years ago I put a request out for funds to support the charitable deeds of your lodge. The response has enabled us to reach out to the community. As you helped the lodge we hope that you will also remember that this relationship is a two-way street. If we can help you and your family, we stand ready to assist. As we move into the 2012-2013 Masonic year I hope that you will offer the same level of support to the new Master as you have supported me.

You will find enclosed your invitation to the 168th Annual Installation of Officers. I hope that you and your family can attend. There is a dinner planned at 6:00 PM by donations only.

Brethren; as always, if you have any suggestions, I urge you to contact me or any of our Lodge officers. See you in Lodge!!

Fraternally,

Scott Markel
Worshipful Master

Greetings Brethren,

Once again I would like to thank those brethren who helped man the Lorain County Blue Lodge Association booth at the Lorain County Fair. The interaction with the fair goers was great and provided another opportunity to greet non-masons and to tell them what we are all about. If you missed your chance this year hopefully there will be another opportunity for you to participate next year.

Fund raising remains an important link in bolstering our finances. I am interested in good fund raising events; if you have been involved with an event and think we could make it work for us please bring your ideas to the lodge or to me and we will see if we can put it together.

From the Secretary's Desk: 2013 Dues are due: The mailing out of the Dues Notices was handled by RWB Behner, and we appreciate his support in getting this accomplished. Please respond to that notice promptly. If any Brother is having difficulty in paying their dues please contact the Worshipful Master; we can work it out. We do not want to see any member suspended for non payment of dues.

As always we need your help in keeping our member database current. Please remember to tell us when you move or if your email address has changed. To change or add your email to our list just use the "Contact Us" located on our web site www.wellington127.org.
