Brethren:

Summer is almost over and it's time to pick-up where we left off!!!

On June 30th. Elyria Lodge hosted the Annual District Awards Night where awards are presented for the best inspection degrees and the most visitations. With that being said, I am happy to announce that our Lodge received second place in the Master Mason Degree and third place in the visitation category, with 17 inspections attended. I was honored to bring these awards home to #127. Thank you brethren, thank you for making our Lodge one of the best in the 22nd district.

September 14th. Will be our first meeting since June. Our officers will move up in preparation for next year! Please come out and show your support, we have a great line up for the future.

September 28th. We will be conferring the Master Mason degree. I'm sure you will be hearing from our fellow craft team captains W.B. Mohrman and W.B. Woods. Our Lodge is one of just a few that always has enough of our own members to confer this degree; we are famous for great ritual and great members. Please come out for this beautiful degree, as always refreshments will follow in the dining room.

Our Junior Deacon, Brother Brian Hurst, our fund raising chairman, has put together another pancake and sausage breakfast hosted by the Wellington Eagles. The breakfast will be October 4th. At the new Eagles club, RT 58 south from 9:00 to 1:00. We could use your help if you would be available, If not just come out and enjoy a good breakfast. Please Post the enclosed flyer on your refrigerator door as a reminder to come out on the 4th for hot cakes and sausage patties.

The 200th Grand Lodge Communication will be held in Toledo, October 16th and 17th, as in the past our Lodge will be proudly represented. If you have never been to a Grand Lodge Communication, it is a great learning experience. Over 500 Lodges will be represented, with various committee reports, legislations voted on, etc. I highly recommended that you mark your calendar and make the incredible journey to Grand Lodge.

I would like to take the opportunity to thank each of you who helped represent our Lodge at the LCBLA booth at the Lorain County Fair. More hands always make a large task seem small. We Received several requests for petitions, passed out plenty of brochures and pencils. The booth has two purposes, one is to bring in new prospective members, the second is to greet fellow members from our Lodge and members from area and sometimes out of state Lodges. Each member always has a different and sometimes interesting story to tell, some come to the fair just to stop in to visit. The fair booth is a place where friends and brothers can get together, and spread the cement of brotherly love and affection.

If you have any suggestions, I urge you to contact me, our secretary or any of our Lodge officers. We are currently 140 members strong; you can help make our Lodge stronger by *reaching* into your 2nd. And 4th. Monday evenings to join us, share your thoughts, ideas and maybe a little bit of wisdom with the brethren of our Lodge.

Our Lodge is the oldest Lodge in the district. If you have any old pictures, plaques, pins or any antique lodge memorabilia that we could display please let us know. We could also use a nice display case, if anybody would have access to one.

For those of you that have a computer, periodically check out your Lodge web site at www.wellington127.org for any important updates!

See you in Lodge!!

Fraternally

Gary Walker
