Hail Friends:

I would like to take this opportunity to thank each of you who helped represent our Lodge at the LCBLA booth during the Lorain County Fair. More hands always make a large task seem small and the booth was well manned all day Thursday. We also received a couple of prospective requests for petitions. We will follow up on those. The booth's main purpose is to put Masonry in the forefront for the public. It also let's those in the booth greet fellow members not only from our Lodge but members from the area and some cases those from out of state Lodges.

The 201st Grand Lodge Communication will be held in Dayton, October 15th and 16th. This year we will have the opportunity to elect as Grand Master a Right Worshipful Brother from the 22nd Masonic District, RWB Bradford Goebel. In the past our Lodge was proudly represented during Grand Lodge and if you have never been to a Grand Lodge Communication this would be the perfect one to start with. You will find that it is a great learning experience. I highly recommended that you mark your calendar and make the incredible journey to Grand Lodge.

R.W.B. Behner has informed the Lodge that he is retiring as Secretary. As of yet we have no one to take over that office. Grand Lodge has mandated that we use a new on line system called Masonic Online Registry Interface or MORI. This new system is designed to make the secretary's job faster and easier. Simple computer skills are required, so if anyone is interested please let me know.

From the desk of the Lodge Education Officer:

The full title of the Education committee is "The Grand Lodge Education and Information Committee" I mention this because while their goal is to provide education material for training the new member they also strive to bring Masonic Information to the membership as a whole. This Information will come in many formats and could include DVDs or videos, pamphlets and written articles or even lecture series. I will present one such program on September 27th. I believe that you will enjoy it and following the viewing we should have a good discussion of its content.

From the keyboard of the Webmaster: I hope that you take every opportunity to visit our web site: www.wellington127.org the blog area changes often. I also send news updates via email as well as an advanced copy of the newsletter. If you have an email address please send it to me at rlrunion@gmail.com you will only receive lodge information or updates from me.

As always, if you have any suggestions, I urge you to contact me, our Secretary or any of our Lodge Officers.

Thank you Brethren for your continued support and enthusiasm.

See you in Lodge!!

Fraternally

Anthony Walker
